Dear All: The Commission has designated me the Hearing Examiner for this docket.

Please advise if you want to be included on the Service List. ("SL") For your convenience, I am attaching the SL from PSC Dkt. No. 10-2, the prior IRP docket. Although some recipients have changed jobs, etc., many of the SL's recipients will remain the same. Please respond on or before *5 p.m. on Friday, January 4, 2013* regarding the SL.

Although the intervention deadline is not until February 22, 2013, I also attach the Procedural Schedule from Docket No. 10-2. I am providing this to you at this time because, after reviewing Delmarva's Plan filed December 7, 2012, I intend to approach this docket (and the Procedural Schedule) as Senior Hearing Examiner Ruth Price apparently did in Docket No. 10-2.

Specifically, this docket will be basically processed between the parties who notify the Hearing Examiner of events i.e meetings, etc. As the Hearing Examiner, I will be available to: 1) grant or deny interventions; 2) attend events if you desire; and 3) resolve disputes, including any discovery or scope of docket disputes.

Once the interveners and any "interested parties" are established, I ask that the parties provide me with a proposed Procedural Schedule if one is indeed necessary once the written comments are being submitted.

Happy Holidays, including Merry Christmas.
